"The Big Store of Little Prices"

Merry Xmas

-- TO ALL --

J. J. BRASAEMLE'S 5c & 10c Store,

P. R. Smith's Old Stand.

Breaking All Christmas Records.

It's pleasant to tell of tales far beyond all previous years, for they indicate good reliable goods at lowest prices, as well as the progress of this store. But to you such growth means more still; it tells unmistakably of the increasing attractiveness of the goods and still greater confidence in the store. This is especially important at Christmas, when such quantities of unworthy goods are often sold to hurried buyers.

TONIGHT AND MONDAY MORNING

Will be your last opportunity to make your purchases of

Toys, Dolls, Games

AND THOUSANDS OF OTHER ARTICLES FOR

CHRISTMAS PRESENTS.

Money spent here is well spent; assortments are great; prices for this final Holiday Sale are Extraordinarily Low.

Merry Christmas to All.

be Recorded.

Motion Was Carried by Unanimous Vote Friday.

The Annexation is settled. Late Friday afternoon the County

Commissioners decided to annex all the territory outlined in the petition. sioner E.-L. Fillius moved that the entire plat be added to the city. It

was seconded by Mr. Moore and the

measure went through unanimously. Considerable time, previous to the final vote was spent quibbling over could not be adjusted and Mr. Fillius

pressed matters to a vote. The annexed territory contains 2,844 acres or 4.44 square miles. The additional property is about equally north sides of the city. Upon the west side 985 acres will be added or 1.54 square miles. The south side contains 941 acres or 1.47 square miles. The North End includes 918

acres or 1.48 square miles. The tract is described as follows:

Beginning at a point 150 feet south of Cole av. and 150 feet east of 1.000 feet west of Manchester road, ela engagement, thence north on a line 150 feet west of May av. in the F. Schumacher atlotment to a point in the May & Fiebeger allotment about 500 feet has been received here that General north of West Market st., thence Buller was struck by a spent bullet east on a line between Ely lots at Tugela river and suffered a slight 95 and 96 to the towing path of the wound in the side, Ohio canal. Thence north along east side of towing path 2,200 feet to a point, thence east on a line parallel to Uhler av. and 150 feet north there from to the east line of the proporty of Mary Keeney, thence south along the east line of Doyle allotment and the continuation thereof to the north line of tract No. 7.

Bisler said morning that the annexed territory contained a population of 6,000 people, with an approximate valuation of \$1,000,000. It is estimated that \$700,000 will come out of Coventry

It will be 60 days before the plats can be recorded and the property will not be placed on the duplicate before 1901. As next fall is the time for general registration it is probable that the districts will not be divided into wards until that time.

#### INJUNCTION

Against Cincinnati & Hamilton Railroad Has Been Dismissed.

The injunction, restraining the Cincinnati & Hamilton Electric Mrs. S. C. Koplin of State st. Street Railway company from building a short connecting link in Hamilton, was dissolved by the Circuit court Friday.

The order was allowed on petition of Attorney General Monnett. He alleged that the company had not complied with the statutes governing the extension of railroads.

The new track will connect the C. & H. with a line from Dayton to Hamilton. Akron people are stockholders in the road.
